

Proud to share that HOCL has achieved a major milestone in Q4 FY 2025–26, registering a Net Profit of ₹15.71 Cr - our first quarterly operational profit in four years!

Outstanding 99% Capacity Utilisation achieved during FY 2025-26 even amidst tough global geopolitical conditions driven by the commitment of our work force. ₹19.49 Cr positive EBIT in Q4 FY 2025-26 (reversing a ₹31.82 Cr loss YoY). Full-year EBIT loss shrunk from ₹65.02 Cr to just ₹0.25 Cr.

We are firmly on the path back to profitability. Heartfelt Thanks to all stakeholders for their support.
