Scope of Work

We are having 16 nos. of Voltas make 1.5 Ton window A/Cs, 35 nos. of 1.5 Ton split A/Cs, 9 nos. of 2 Ton split A/Cs and 18 nos. of Water Coolers. They are installed at our factory at Ambalamugal and Township at Irumpanam. This has to be covered under all-inclusive in service contract. The scope of the work and terms and conditions are as under:

1. All materials, which may become necessary as a result of fair wear and tear during the period of contract, will be supplied by HOCL and you have to install without any extra cost and properly connected. The patchwork and painting work to be carried out on all rusted metal portion, once in a year at no extra cost as per the direction of site engineer.
2. Attend breakdown call/complaints free of additional charge within 4 hrs.
3. Contractor has to carry out Quarterly Services.
 - a) Quarterly Service-The window A/Cs and split A/Cs should be attended once in a quarter for servicing which should include leak testing & arresting, cleaning of filters, condensers, blower fan, electrical contacts, starter, temperature setting, checking refrigerant and refitting if required and cleaning of the unit.
4. Only trained electricians shall be deputed for these works. No sub contracting is allowed.
5. The contract is for one year from the date of commencement.
6. The rate should include all taxes all and duties applicable including works contract tax.
7. The payment will be effected only quarterly after the successful completion of work and submission of reports for each quarter.
8. For any break down work on any unit the time for completing the work will be one week. If it is taken more than a week, service contract charge for that unit for the extra time taken will be deducted @ 1.2% of the contract value per week for the delay or part there subject to a maximum of 5% of the contract value. The spare unit to be installed by the contractor before taking out the faulty unit for repairing works. You should maintain sufficient number of 1.5 Ton window/Split A/C unit in good condition from our spare units for reducing the breakdown period.
9. The contract is liable to be terminated with one-month notice if satisfactory service is not provided by the contractor.
10. You may have to execute necessary agreement.
11. If the unit(s) need to be taken to the contractor's work place for repair the same shall be returned after repair. Transportation of the unit shall be done by the party without any extra cost of transportation to the HOCL. The loading, unloading, inside the factory premises will be arranged by HOCL.
12. The charges towards ESI, PF will not be deducted if the documents are produced.
