The proceedings of the AGM will be deemed to be conducted at the registered office of the Company.
2. Pursuant to the provisions of the Companies Act, 2013, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/ her behalf and proxy need not to be a member of the Company. However, the 41st AGM of the Company is being held pursuant to MCA/SEBI circulars through VC/OAVM, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxy by the members will not be available for the 41st AGM of the Company and hence proxy form, attendance slip is not annexed to this notice.
3. As per the provisions under the MCA Circulars, members attending the 41st AGM through VC shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
4. Members of the Company under the category of Institutional Investors are encouraged to attend and vote at the AGM through VC. Corporate members intending to authorize their representatives to participate and vote at the e-AGM are requested to send a certified copy of the Board resolution / authorization letter to the Scrutinizer by email to mail@arscsllp.com and hflshareholders@gmail.com with a copy marked to premkumar.nair@kfintech.com and cs@hoclindia.com.
5. Pursuant to section 139 (5) of the Companies Act, 2013, the auditors of the Company are to be appointed or re-appointed by the Comptroller and Auditor General of India (CAG). In pursuance of Section 142 of the Companies Act, 2013 the remuneration to the auditors shall be fixed by the Company in the AGM or in such manner as the Company in general meeting may determine. The statutory auditors of the Company for the year 2024-25 is yet to be appointed by the CAG. Accordingly, the members may authorize the Board to fix an appropriate remuneration to the statutory auditors for the FY 2024-25.
6. The Register of directors and key managerial personnel and their shareholding, maintained under Section 170 of the Act, and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection

by the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM, i.e. 24th September, 2024. Members seeking to inspect such documents can send an email to hflshareholders@gmail.com or cs@hoclindia.com.

**INDEPENDENT AUDITOR'S REPORT**

To
The Members of
M/s Hindustan Fluorocarbons Limited
Hyderabad

Report on the Audit of Ind AS Financial Statements:**Opinion:**

1. We have audited the accompanying financial statements of **M/s Hindustan Fluorocarbons Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss, Cash Flow Statement and Statement of changes in Equity for the year ended on that date and notes to financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Ind AS financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, and read with our comments below under the para 'Material Uncertainty relating to Going Concern', the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the said Company as at 31st March, 2024, the Loss for the year ended on that date including other Comprehensive Income, change in Equity and its Cash Flow for the year ended on that date.

Basis for Opinion

3. We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the Ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Material Uncertainty related to Going Concern

4. Attention is drawn to Note 29 to the Notes of Accounts wherein there is disclosure regarding the decision of the Cabinet Committee on Economic Affairs to close the operations of the Company which has been communicated to them through letter dated 29th Jan, 2020 from Ministry of Chemicals & Fertilizers, Department of Chemicals & Petrochemicals, Govt of India vide File No. 51015/06/2019 together with timelines for implementation of the said directions, the process of which is being initiated by the Board.

In this regard, while noting the above, in our view considering the decision of the Government to close the operations of the Company and the steps taken by the Company including grant of Interest Free Unsecured Loan for settling various liabilities by the GoI, receipt of the same, significant payments being made out of the total estimated liabilities by the year end, plan of action for balance payments, initiation of follow up measures regarding various legal cases filed by/against the Company and its follow up, adoption of applicable Ind AS 105 in the books of account, there is material uncertainty relating to Going Concern and the Company is no longer a Going Concern Entity.

Emphasis of Matter

5. We draw attention to Note No.2(a) in the Notes to Accounts regarding the decision of the Government of India to close the operations of the Company resulting in the Company ceasing to be a Going Concern entity and the adoption of applicable Accounting Standard Ind-AS 105 'Non Current Assets held for Sale or Discontinuing Operations'. Accordingly, the Company had re-classified the assets which are part of disposal group as 'assets held for sale' at its carrying cost without providing for any pro-rata depreciation in the absence of any specific cut off date being adopted for the purpose which is not determinable. Our opinion is not modified in this regard.

Information other than the Financial Statements and Auditor's Report thereon

6. The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material mis-statement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management Responsibilities for the Ind AS Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act 2013, with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance, including other comprehensive income, cash flows and Statement of changes in Equity of the Company in accordance with the Accounting Principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating

effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.
11. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:
 - ◆ Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - ◆ Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - ◆ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosure are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- ◆ Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. Materiality is the magnitude of misstatements in the Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in
 - (i) planning the scope of our audit work and in evaluating the results of our work; and
 - (ii) to evaluate the effect of any identified misstatements in the financial statements.
 13. We also communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.
 14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

16. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of changes in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2024, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company, and the operating effectiveness of such controls, refer to our separate Report in “**Annexure A**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls with reference to Financial Statements.
- g) The Company did not pay any remuneration to its Directors during the year. Accordingly, we have nothing to report u/s 197(16) of the Act.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company had disclosed the impact of pending litigations as on 31st March, 2024 on its financial position in its Ind AS financial statements;
 - ii. The Company had made provision, as required under the applicable law or accounting standards for material foreseeable losses, if any, on long term contract. The Company neither entered into any derivative contracts during the year nor have any outstanding derivative contract at the end of the year;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (Intermediaries), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other person or entities identified in any manner whatsoever by the Company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
- (b) The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (Funding Parties) with the understanding, whether writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries” or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) or Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company had not declared or paid any dividend during the year under report. Accordingly, we have nothing to report with regard to compliance of provisions of Section 123 of the Act

- i) As required under section 143(5) of the Companies Act, we report that:
- i. As per the information, explanations and records produced for our verification, the Company has a system in place to process all the accounting transactions through IT system and there are no instances of processing of accounting transactions outside the IT system;
 - ii. During the year under review, there are no instances of any restructuring of existing loan availed by the Company or cases of waiver/write off of debts/loans/interest made by a Lender to the Company except interest waiver for loan taken from the HOCL with effect from 01-04-2023 on account of company's inability to repay the loan;
 - iii. As per the information, explanations and records produced for our verification, as a part of closure direction given by Gol, an amount of Rs.7720 Lakhs was sanctioned by Gol as Interest Free Term Loan to be exclusively utilized for closure related expenditure including (a) implementation of VRS/VSS for HFL employees, their dues, statutory dues, payment to suppliers/contractors/ utilities dues and repayment of SBI working capital loan (b) salary/wages and administrative expenses of HFL's skeletal staff to be temporarily retained for completing the closure of HFL for two years.

“Annexure – A” to the Independent Auditor’s Report of even date on the Ind AS Financial Statements of M/s Hindustan Fluorocarbons Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1. We have audited the internal financial controls with reference to Financial Statements of **M/s Hindustan Fluorocarbons Limited** (“the Company”) as of 31st March, 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

2. The Company’s management is responsible for establishing and maintaining internal financial controls with reference to Financial Statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to Financial Statements that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.
3. The Company’s Management has in present financial year amongst other areas has specifically identified the following areas (i) Property Plant & Equipment (ii) Loans (iii) Trade Receivables (iv) Other Financial Liabilities (v) Trade Payables; and (vi) Provisions, as a benchmark criteria for establishing Internal Financial Controls with reference to Financial Statements.

Auditors’ Responsibility

4. Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.
5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Financial Statements and their operating effectiveness.
6. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

8. A Company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

9. Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

10. In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

**“Annexure B” to the Independent Auditors Report**

(Referred to in paragraph 18 under the heading ‘Report on Other Legal & Regulatory Requirements’ of our report of even date to the financial statements of the M/s Hindustan Fluorocarbons Limited for the year ended 31st March, 2024)

As per the books and records produced before us and as per the information and explanations given to us and based on such audit checks that we considered necessary and appropriate, we confirm that:

- i. In respect of the property, plant and equipment of the Company
 - (a) A. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant & Equipment.
B. The Company had written off Intangible assets during the Financial year 2021-22.
 - (b) Fixed Assets comprising of Property, Plant & Equipment have been physically verified by the management at reasonable intervals in accordance with its phased programme designed to cover all the assets by physical verification over a period of one to five years, which in our opinion, is reasonable having regard to the size of the Company and nature of assets. No material discrepancies were noticed on such verification.
 - (c) The title deeds of immovable properties are held in the name of the Company
 - (d) Accounting in respect the property, plant and equipment of the Company were made in accordance with the applicable provisions of the Ind-AS 105 ‘Assets held for Sale’ which is being followed consequent to the decision to close the Company
 - (e) There are no proceedings which were either initiated or pending against the Company for holding any benami properties under the Benami Transactions (Prohibition) Act 1988
- ii.
 - (a) The management has conducted the physical verification of inventories at reasonable intervals. In our opinion, the coverage & procedure of such verification is appropriate. The discrepancies noticed on physical verification of the inventory as compared to book records are not more than 10% and those have been properly dealt in the books of account.
 - (b) The Company was not sanctioned any Working Capital Loan during the year under review on the basis of current assets. Hence the provisions of Clause 3(ii)(b) are not applicable.
- iii. The Company has not made any investments in, or provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties during the period under review. Accordingly, the provisions of Clause 3(iii)(a) to Clause 3 (iii)(f) of the said Order are not applicable for the Company during the year under review
- iv. In our opinion and according to the information and explanations given to us, the company has not given any loans, made any investments, provided any guarantees, and given any security to which the provisions of section 185 and 186 of the Companies Act, 2013 are applicable.

- v. According to information and explanation given to us, the Company has not accepted any deposits from the public. Therefore, the provisions of Clause (v) of Paragraph 3 of the Order are not applicable to the Company
- vi. Going by the nature of the activities to be undertaken by the Company, maintenance of Cost Records specified under sub-section (1) of Section 148 of the Act are required to be maintained. However, the Company was ordered to be closed by the directions of the Central Govt and hence no manufacturing activity was carried out by the Company during the year under review
- vii. (a) The Company has been regular in depositing undisputed statutory dues including provident fund, employees' state insurance, GST, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2024.
- (b) There are no dues of income tax or sales tax or service tax or duty of customs or duty of excise or value added tax or GST have not been deposited on account of any dispute.
- viii. There are no transactions recorded in the books which have been surrendered or disclosed as Income during the year in the Tax Assessments under Income Tax Act.
- ix. (a) In our opinion and according to the information and explanations given to us, the Company has defaulted in repayment of dues to Govt. of India, Ministry of Chemicals & Fertilizers (Dept. of Chemicals and Petrochemicals). However, as per the directions given by the Gol relating to closure proceeds, this existing loan of Rs.1580 Lakhs together with interest needs to be settled from the sale proceeds of the assets of the Company.

Nature of borrowing	Name of Lender	Amount not paid on Due date	Whether Principal or Interest	No. of days delay or unpaid	Remarks, if any
Loan for manufacture of MPTFE & refurbishment of P&M	Govt. of India	Rs.1580 Lakhs	Principal & Interest upto 31.03.2019	Unpaid since 2015-16	As part of closure order, interest on this loan frozen upto 31.03.2019 and this has to be paid out of sale proceeds of assets of the Company

- (b) Company had not been declared a Wilful Defaulter by any Bank.
- (c) There are no Term Loans which were raised by the Company.
- (d) There are no instances of any short term funds raised which were used for Long Term purpose.
- (e) There are no funds which are raised by the Company to meet the obligations of any other entities.
- (f) Company had not raised any loans on the pledge of any securities held.
- x. (a) During the year under review, Company had not raised any moneys by way of initial public offer or term loans from any Banks/Financial Institutions. However, as a part of closure

direction given by GoI, an amount of Rs.7720 Lakhs was sanctioned by GoI as Interest Free Unsecured Loan to the Company to be exclusively utilized for closure related expenditure including (a) implementation of VRS/VSS for HFL employees, their dues, statutory dues, payment to suppliers/contractors/ utilities dues and repayment of SBI working capital loan (b) salary/wages and administrative expenses of HFL's skeletal staff to be temporarily retained for completing the closure of HFL for two years.

The Company had received an amount of Rs.7,587 Lakhs (Rs.7,370 Lakhs during FY 2020-21 & Rs. 217 Lakhs during FY 2021-22) as Interest Free Term Loan, out of which an amount of Rs.6,741 Lakhs was utilized till 31.03.2024 for the purpose towards implementation of VRS/VSS, payment of salaries/wages/ statutory dues of employees, wage revision arrears, suppliers dues, repayment of entire Working Capital loan, Water & Electricity Dues as well as salaries/wages of skeletal staff.

- (b) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review.
- xi. (a) Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the company by its officers or employees has been noticed or reported during the year. Accordingly, there are no instances of filing of Form ADT-4 as prescribed during the year under review.
(b) As per the information and explanations given to us, there are no instances of any Whistle Blower complaints received during the year.
- xii. As the Company is neither carrying on business of Nidhi nor reported as a Nidhi company, paragraph 3(xii) of the order is not applicable.
- xiii. The transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Ind AS Financial Statements etc., as required by the applicable accounting standards.
- xiv. (a) The Company has an internal audit system commensurate with the size and nature of its business.
(b) We have considered the reports of the Internal Auditor while framing our report.
- xv. The Company has not entered into any non-cash transactions with directors or persons connected with them. Accordingly, the paragraph 3(XV) of the order is not applicable.
- xvi. (a) The Company is not carrying on the business of Non- Banking Finance and hence the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
(b) The Company did not conduct any Non Banking Financial or Housing Finance activities
(c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India

- xvii. The Company had incurred cash profit during the current financial year and cash losses in the preceding financial year, amounting to Rs. 122.72 Lakhs and Rs. 511.31 Lakhs respectively.
- xviii. During the year under review, there has been no instance of any resignation of the Statutory Auditors. Hence the provisions of para (xviii) of the said Order are not applicable.
- xix. The Company, being a Govt Owned Entity was ordered to be shut down as per the directions of the Ministry of Chemicals & Petrochemicals and had granted Financial Assistance for the closure settlement related expenditure including implementation of VRS/VSS for employees, statutory dues payments, Bank Loan repayment, payment to various suppliers/utilities and the Company had cleared substantial portion of these liabilities and is in the process of clearing the balance obligations in this regard.

The Company is no longer a Going Concern Entity. Taking all these into consideration, we are of the opinion that Company's ability to meet its liability existing at the date of balance sheet are dependent on the amounts which they presently have (which are given for closure proceeds and are being utilized for the same) and in case if they fall short, Company again needs to take the financial assistance from the Ministry.

- xx. There are no amounts which are required to be spent in accordance with Section 135 of the Act by the Company by virtue of their regular losses. Accordingly, the provisions of para (xx) of the said Order is not applicable.
- xxi. The Company does not have any subsidiaries. Accordingly, the provisions of para (xxi) of the said Order is not applicable.

28. During the year under review, the Company had revisited its status on the reporting of Financial Instruments through OCI at amortized cost based on updated developments. Accordingly, based on realistic assessment of the underlying transactions, the Company is of view that there are no Financial Instruments which are receivable/payable in future at discounted values and hence these are shown at actual values. Accordingly, the corresponding effect between previous year and current year is passed through OCI.
29. As per the letter dated 29.01.2020 from the Ministry of Chemicals and Fertilizers, Department of Chemicals & Petrochemicals, under which the Company functions, Cabinet Committee on Economic Affairs (CCEA) in its meeting held on 22nd Jan, 2020 had approved.
- Shutting down the operations of the plant/unit of HFL & closure of the Company.
 - Separating the employees (regular and non-regular/adhoc) rendered surplus due to closure of plant through VRS/VSSs, after payment of all their outstanding salary/wages and statutory dues, except for skeletal staff required to implement the full and final closure of the company. Employees not opting for VRS/VSS will be retrenched as per the provisions of Industrial Disputes Act, 1947.
 - Grant of interest free loan of Rs.77.20 crore by Govt. Of India to HFL to be utilized exclusively for closure related expenditure including (a) implementation of VRS/VSSs for HFL employees, their dues, statutory dues, payment to suppliers/contractors/utilities dues and repayment of SBI working capital loan (b) salary/wages and administrative expenses of HFL's skeletal staff to be temporarily retained for completing the closure of HFL for two years.
 - Above interest free loan will be repaid by HFL to Govt. of India from the sale proceeds of land and other assets of the company, as and when disposed off and after settling all the liabilities related to closure of the company
 - after settlement of all liabilities related to closure of HFL and repayment of interest free loan, surplus proceeds from disposal of land and other assets, if any, will be used for repayment of HFL's outstanding Govt of India (Rs. 15.80 crore) and interest thereon, with freezing of interest upto 31.3.2019. Full or part of the principal loan amount (Rs. 15.80 crore) and interest thereon upto 31.3.2019 remaining unpaid due to insufficient sale proceeds is to be written off/waived.
 - for facilitating disposal of HFL's land, M/s NBCC (India) Ltd may be appointed as Land Management Agency (LMA) to manage and assist in the land disposal subject to outcome of the decision of Telangana Govt/TSIIC on purchasing land of HFL.

- f) Disposal of plant, machinery and movable assets were done in March 2023 by HFL through e-auction by MSTC Ltd.
- g) In pursuance of the said decision, HFL had received an amount of Rs.73.70 Crores on 26.05.2020 and Rs.2.17 crores on 15.03.2022 as interest free loan from Gol. As per the above CCEA Order and as at 31.03.2023, all the employees were relieved before 31.08.2022 except five skeleton staff who were transferred to the roll of HOCL in Sept 2022. All the undisputed dues except Govt. loans and HOCL loans were settled by utilising the interest free loan sanctioned by the Govt. of India. The total amount utilized upto 31.03.2024 was Rs.67.41 Crores. The balance amount will be utilized for settling the other dues and other operating expenditure for completing the closure of the Company. The said process is still going on.

**Notes to the Financial Statements as at and for the year ended March 31, 2024****1. General Information**

Hindustan Fluorocarbons Limited (HFL) was incorporated in 1983 as a subsidiary of Hindustan Organic Chemicals Limited (HOCL), a Government of India Enterprise under the Ministry of Chemicals & Fertilizers with a shareholding of 56.43%. HFL is engaged in manufacture of Polytetrafluoroethylene (PTFE) with annual capacity of 500 MT and intermediate product of Chlorodifluoromethane (CFM-22) with annual capacity of 1265 MT. The company also manufactures Modified Polytetrafluoroethylene (MPTFE). Shares of the company are listed in Bombay Stock Exchange.

2. Accounting Policies**a) Statement of Compliance**

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

The Cabinet Committee on Economic Affairs (CCEA) Govt. of India in its meeting held on 22.01.2020 had approved shutting down of operations of the plant/unit of HFL and closure of the Company. Ministry of Chemicals and Fertilizers, Department of Chemicals & Petrochemicals, under which the Company functions had given a detailed road map in this regard. The Board had initiated the said process of closure which got delayed due to Covid-19 pandemic. Hon'ble High Court of Telangana on 04-Nov-2020, in a legal case filed (Rockwell Industries Limited vs. HFL) had directed HFL (Appellant) not to dispose or transfer or to create a third party right with regard to its assets. Further, Hon'ble The High Court permitted to dispose of the plant, machinery and other equipment through MSTC with a condition to open a separate bank account by HFL to deposit the sale proceeds on 02.11.2022 in I.A. No.1/2022 in COM.C.A. No.16/2020. As approved by the Board on 30.01.2023, the plant, machinery and other assets were e-auctioned as a single lot through MSTC. The bid was opened on 15.03.2022, sold to the highest quoted bidder and full amount was received on 29.03.2023. Considering the above factors, management has concluded that the company will not continue as a going concern in the future.

Since the Company is in the process of closure and would not continue as a Going Concern, IndAS105 'Non-Current Assets held for Sale or Discontinuing Operations' had been followed by the Company.

b) Basis of Accounting and Preparation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('Act') (to the extent notified). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether

that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as a net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- ◆ Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- ◆ Level 2 inputs are other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- ◆ Level 3 inputs are unobservable inputs for the asset or liability.

c) **Accounting Estimates**

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

Estimates and Assumptions:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based on its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Defined benefit plans

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. Actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

**d) Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable and is recognised when it is probable that the economic benefits associated with the transaction will flow to the Company and the amount of income can be measured reliably. Revenue is net of returns and is reduced for rebates, trade discounts, refunds and other similar allowances. Revenue is net of GST. Effective April 1, 2018, the Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts.

The Company has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognised at the date of initial application (i.e. April 1, 2018). The standard is applied retrospectively only to contracts that are not completed as at the date of initial application and the comparative information in the statement of profit and loss is not restated—i.e., the comparative information continues to be reported under Ind AS 18 and Ind AS 11. The impact of the adoption of the standard on the financial statements of the Company is insignificant.

i) Sale of goods

Revenue is recognized when it is probable that economic benefits associated with a transaction flows to the Company in the ordinary course of its activities and the amount of revenue can be measured reliably. Revenue is recognised, when the significant risks and rewards of the ownership have been transferred to the buyers and there is no continuing effective control over the goods or managerial involvement with the goods. Revenue from sale of chemical products is generally recognised at the time of dispatch.

ii) Other Income

Dividend income from investments is recognized when the right to receive payment is established. Interest income from a financial asset is recognised on time basis, by reference to the principal outstanding at the effective interest rate applicable, which is the rate which exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Insurance claims are recognised to the extent there is a reasonable certainty of the realizability of the claim amount.

e) Property, plant and equipment

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of Property, plant and equipment comprises of purchase price, applicable duties and taxes, any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets, upto the date the asset is ready for its intended use. "The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located is required to be included in the cost of the respective item of property plant and equipment" and "Cost of major inspections is recognized in the carrying amount of property, plant and equipment as a replacement, if recognition criteria are satisfied and any remaining carrying amount of the cost of previous inspection is derecognized.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the asset and is recognised in profit or loss.

During the previous year, pursuant to the notification of Schedule II to the Companies Act, 2013 with effect from April 1, 2014, the Company has reassessed the estimated useful life of its assets to align the useful life with those specified in Schedule II and there have been no change in the useful life of the asset. The useful lives, for the computation of depreciation rates are as follows:

Asset	Depreciation method	Useful life based on SLM
Building	SLM	30 years
Plant and equipment	SLM	20 years
Furniture and fixtures	SLM	10 years
Computers	SLM	3-5 years
Intangible Assets - Software	SLM	5 Years for Software and 20 years for MPTFE

*Pursuant CCEA decision to close the Company, as per IND AS 105, the Property, Plant and Equipment (PPE) has been reclassified to Assets Held for Sale and is valued at lower of Carrying value and Fair value less costs to sell. And no depreciation is charged after such reclassification. Further, entire carrying value of intangible assets has been written-off since the fair value of such intangible that could be realized from its sale is Nil.

f) Investment Property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the Ind AS 16's requirement for cost model.

An investment property is de-recognised upon disposal or when the investment property is permanently withdrawn from use and no further economic benefits expected from disposal. Any gain or loss arising on de-recognition of the property is included in profit or loss in the period in which the property is de-recognised.

g) Intangible Assets

Identifiable intangible assets are recognised when the Company controls the asset, it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured. At initial recognition, the separately acquired intangible assets are recognised at cost. Following initial recognition, the intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any. The estimated useful life and amortization method reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

**h) Depreciation and Amortization**

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost less its estimated residual value. Depreciation on Property, Plant and equipment has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 considering the nature of asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, maintenance, etc.

Intangible Assets are amortised, on straight line method based on the useful life as assessed by the Management. The amortization period and the amortization method for an intangible asset is reviewed atleast at each financial year end.

i) Impairment of Assets

Intangible assets and property, plant and equipment: Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, there coverable amount is determined for the CGU to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

j) Financial Instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Financial assets at fair value through other comprehensive income**

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in other comprehensive income.

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in statement of profit and loss.

Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received net of direct issue cost.

k) Employee Benefits

The estimated liability for employee benefits for present and past services which are due as per terms of employment are determined in accordance with the requirements of Ind AS19 "Employee Benefits". A brief description of the employee benefits are as follows:

Gratuity:

The Company has an obligation towards gratuity, a defined benefit plan covering all eligible employees. The plan provides for lumpsum payment in accordance with the Payment of Gratuity Act, 1972 to vested employees on retirement, death while in employment or on separation. Vesting occurs on completion of five years of service. The liability, which is determined by means of an independent actuarial valuation, is partly funded under Group Gratuity Plan Scheme managed by the Life Insurance Corporation of India.

Provident Fund:

Provident Fund is a defined contribution plan of the Government of India under which both the employer and employee contribute on a monthly basis at a pre-determined rate (currently upto 10% of employee salary) and the Company has no further obligation.

Compensated Absences

- a. In respect of the employees at Head Office, the Company measures the expected cost of compensated absence based on actuarial valuation made by an independent actuary as at the balance sheet date on projected unit credit method.

- b. In respect of the employees at the locations, the undiscounted amount of short term employee benefits which include the compensated absences such as paid leave expected to be paid in exchange for the services rendered by employees is recognised during the year when the employee renders the service and is calculated on an actual basis.

l) Inventories

- i) The closing stock of raw materials, packing material, stores and spares are valued at cost by adopting weighted average method. Stock in process (intermediate product) and finished goods are valued at cost or net realizable value whichever is lower.

Cost of stock-in-process includes costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

- ii) By-products are valued at NIL value.

m) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker regularly monitors and reviews the operating result of the whole Company as one segment of "Manufacture of Chemicals". Thus, as defined in Ind AS 108 "Operating Segments", the Company's entire business falls under this one operational segment and hence the necessary information has already been disclosed in the Balance Sheet and the Statement of Profit and Loss.

n) Borrowing Costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the EIR amortization is included in finance costs.

Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they occur.

o) Foreign Exchange Translation of Foreign Projects and Accounting of Foreign Exchange Transactions

The functional currency of the Company is the Indian rupee.

Foreign currency transactions are accounted at the exchange rates prevailing on the date of transactions. Gains and losses resulting from settlement of such transactions are recognized in the Statement of Profit and Loss. Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of the year are translated at year end rates. The difference in translation of monetary assets and liabilities and realised gains and losses on foreign exchange transactions are recognised in the Statement of Profit and Loss.

The exchange difference on restatement of long term receivables / payables from / to foreign operations that are considered as net investments in such operation are recognised in the statement of profit or loss in the separate financial statements of the reporting entity or the individual financial statements of the foreign operation, as appropriate.

Foreign branches functional currency is other than reporting currency of its parent and foreign branch financial statements are translated into reporting currency of its parent using the following procedures.

Assets and Liabilities (both monetary and non-monetary) are translated at the closing rate at the year end. Income and expenses are translated at the monthly average rate at the end of the respective month. All resulting exchange differences are recognised in other comprehensive income till the disposal of the net investment.

p) Income Tax

1) Current Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

2) Deferred Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

3) MAT

Minimum Alternative Tax ("MAT") credit is recognised as an asset only when and to the extent it is probable that the Company will pay normal income tax during the specified period.

q) Leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership over the leased term are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where the lease payments are structured to increase in line with expected general inflation. Assets acquired on finance lease are capitalised at fair value or present value of minimum lease payment at the inception of the lease, whichever is lower.

**r) Earnings Per Share**

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, which have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

s) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation.

Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

t) Exceptional Items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

u) Operational Cycle

The Company adopts operating cycle based on the project period and accordingly all project related assets and liabilities are classified into current and non-current. Other than project related assets and liabilities, 12 months period is considered as normal operating cycle.

v) Cash Flow Statements

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

w) Non-Current Assets held for Sale and Discontinued Operations

The company classifies a non-current asset (or disposal group) as held for sale if its carrying amount will be recovered principally through a sale transaction rather than through continuing use. Assets that meet the criteria to be classified as held for sale are measured at the lower of carrying amount and fair value less costs to sell, and depreciation on such assets are ceased.

A discontinued operation is a component of an entity that either has been disposed of, or is classified as held for sale, and

- (a) Represents a separate major line of business or geographical area of operations,
 - (b) is part of a single coordinated plan to dispose of a separate major line of business or geographical area of operations or
 - (c) Is a subsidiary acquired exclusively with a view to resale.
- x) Ministry of Corporate Affairs (“MCA”), through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified the following amendments to Ind AS.**

Ind AS 109 – Prepayment Features with Negative Compensation

The amendments relate to the existing requirements in IndAS109 regarding termination rights in order to allow measurement at amortised cost (or, depending on the business model, at fair value through other comprehensive income) even in the case of negative compensation payments. The Company does not expect this amendment to have any impact on its financial statements.

Ind AS 23 – Borrowing Costs

The amendments clarify that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalization rate on general borrowings. The company does not expect any impact from this amendment.

Ind-AS 116 – Leases

The new Ind-AS116 ‘Lease’ had replaced Ind AS 17 ‘Leases’. Here, Ind AS 116 defines a lease as a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration. Under Ind AS116, leases have to recognize a lease liability reflecting future lease payments and a ‘right of use asset’ for almost all lease contracts.

The Company does not expect any impact from this amendment on its financial statements.
